

Staff Forum

Thank you for joining us on Tuesday to hold space for each other around the senseless murders of George Floyd, Breonna Taylor, Ahmed Aubrey, Sandra Bland and too many others. Tuesday was the beginning of these dialogues to keep the anti-racism work we must do at front and center. We heard you ask for more information about Campus Safety, EDI initiatives and appreciated your generous sharing of resources for our collective continued work in antiracism. We have started a [Student Affairs crowd-sourced website](#) on anti-racism materials. We welcome you to continue to contribute resources using the link below. As educators, we must continue to challenge ourselves to continue to learn and show-up for each other. Stay tuned for information on our next forum.
