A Circuit Breaker: Step-Behind!

Vice President's Update on Our Campus

Circuit Breaker: Step-Back!

Weekly COVID-19 Updates from University of Utah Health

Weekly COVID-19 Updates from University of Utah Health

Prep tips, and more!

including registration, packet pickup instructions, suggestions for creating a route, 5K finisher's medal.

for deserving U students. You'll receive a packet including a U5K 2020 bib, shirt, and participation in the Homecoming 5K.

with family, friends, and other U alums—while supporting our scholarship program and bringing out the best in others. We want to recognize these heroes who are the fabric of our community.

Whether your role requires you to be on campus during this time or working at a distance, please help slow the spread of COVID-19. The Circuit Breaker continues through October 11th to reduce the spread of COVID-19. On the evening of Wednesday, Oct. 7, the eyes of the nation will turn to Kingsbury Hall as the university hosts the country's only vice presidential debate this cycle.

On the evening of Wednesday, Oct. 7, the eyes of the nation will turn to Kingsbury Hall as the university hosts the country's only vice presidential debate this cycle. President Ruth Watkins on violence prevention and education.

Campus

Debate on our campus. Whether your role requires you to be on campus during this time or working at a distance, please help slow the spread of COVID-19. The Circuit Breaker continues through October 11th to reduce the spread of COVID-19.
