APRIL IS

SEXUAL ASSAULT AWARENESS MONTH

@UOFUWELLNESS

April is Sexual Assault Awareness Month

Each year, the Center for Student Wellness leads a campus-wide initiative to promote awareness, address prevention, and prompt response surrounding sexual harassment, assault, abuse and violence. Throughout the month of April, they will host a variety of events ranging from workshops and educational panels, to social media games, and giveaways. For more information, follow them on social media @uofuwellness or [click here](#).

You can serve as a SAAM Ambassador. They have curated a SAAM toolkit filled with marketing assets, which includes Zoom Backgrounds. They have also compiled of list of event ideas that you can take and host in your own respective spaces, whether that be your office or department. To access this toolkit, [click here](#). This link will take you to the UBox.

David Jones is Retiring

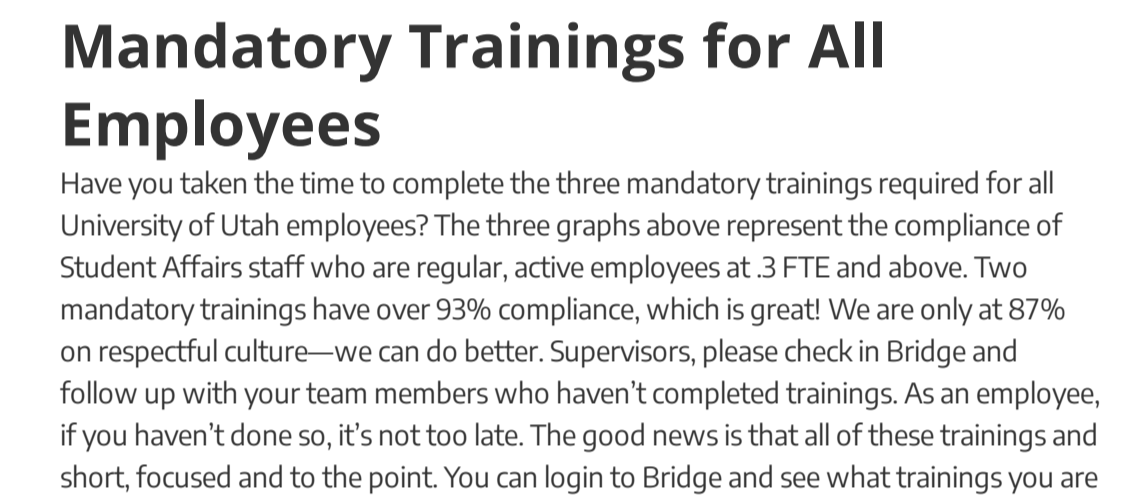

We would like to take this opportunity to share with you the news that David Jones is retiring from the University of Utah.

As you are probably well aware, David has always been a dedicated and valuable member of our Custodial team for **38 years, 10 months, 25 days!** While we are sad to see David go, we wish him the best for the future. He wants to move to Florida with his family and enjoy the sunshine.

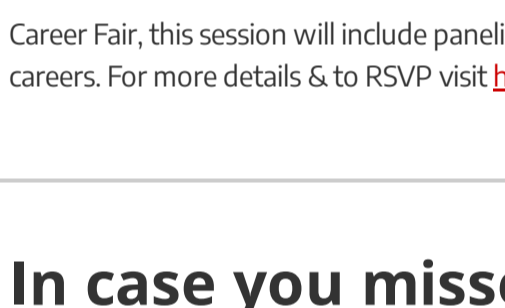

There will be a farewell reception on **April 15, 2021 from 1 p.m. until 3 p.m.** at the Conference Room in building 811 in Sage Point.

Please join us in thanking David for his years of service, perhaps the longest in the history of the University.

Mandatory Trainings for All Employees

Have you taken the time to complete the three mandatory trainings required for all University of Utah employees? The three graphs above represent the compliance of Student Affairs staff who are regular, active employees at .3 FTE and above. Two mandatory trainings have over 93% compliance, which is great! We are only at 87% on respectful culture—we can do better. Supervisors, please check in Bridge and follow up with your team members who haven't completed trainings. As an employee, if you haven't done so, it's not too late. The good news is that all of these trainings are short, focused and to the point. You can login to Bridge and see what trainings you are missing, get those done and maybe find some new things to learn by logging in here: <https://utah.bridgeapp.com/>
