

## Nominations due TODAY: Change Navigator Award

Is there someone on your team whom you think of as a change navigator? Maybe you've been on campus during the entire pandemic or are just preparing to return. As all of us figure out the

new normal, is there someone you turn to who helps you navigate these changes? Is there a person who is always the first to figure out how to get the work done? To help others feel brave in making change? Let's celebrate these change navigators in our midst. Submit a nomination for an exceptional Student Affairs Change Navigator here. Four will be selected, celebrated in Student Affairs updates and given \$500.00.

Clare Lemke, director of the LGBT Resource Center, shares that this is an important step to creating inclusive systems on campus.
