

ASUU Sustainability Survey

Description: Please give Tayler Clough access.

Date Created: 10/13/2008 11:29:02 AM

Date Range: 10/15/2008 12:00:00 AM - 10/24/2008 11:59:00 PM

Total Respondents: 361

Q1. What is your academic standing?			
Count	Percent		
88	24.38%		Freshman
61	16.90%		Sophomore
85	23.55%		Junior
92	25.48%		Senior
23	6.37%		Graduate student
12	3.32%		Other
361	Respondents		

Q2. Would you support sustainability related initiatives on campus, such as renewable energy, an improved recycling program, water conservation, demand reduction, and improved bicycle access?			
Count	Percent		
345	97.46%		Yes
9	2.54%		No
354	Respondents		

Q3. How important is to you that sustainable sources of energy are developed to avoid the problems of climate change, mercury pollution, poor air quality, and dependence on foreign oil?			
Count	Percent		
140	39.55%		Extremely important
135	38.14%		Very important
61	17.23%		Moderately important
17	4.80%		Slightly important
1	0.28%		Not at all important
354	Respondents		

Q4. Which area would you most likely support for a student fee increase? (Check all that apply)				
Count	Respondent %	Response %		
59	16.67%	10.41%		Intramural program
110	31.07%	19.40%		Study abroad
160	45.20%	28.22%		Campus sustainability
127	35.88%	22.40%		Health insurance
55	15.54%	9.70%		Student government
56	15.82%	9.88%		Other
354	Respondents			
567	Responses			

Q5. Would you be willing to support an increase in student fees to convert the campus to a sustainable energy source?			
Count	Percent		
289	81.64%		Yes
65	18.36%		No
354	Respondents		

Q6. How much would you be willing to pay per semester?

Count	Percent		
5	1.73%		\$0
64	22.15%		\$1 - \$5
80	27.68%		\$6 - \$10
49	16.96%		\$11 - \$15
91	31.49%		\$16 - \$20
289	Respondents
