Q1 Dear Alumnus/a, The Lowell Bennion Community Service Center at the University of Utah works hard every day to serve all our constituencies—U of U students and faculty, community service agencies, and people in need throughout Utah. We value the opinions, needs, and concerns of our alumni and ask you to play an important role in our planning efforts by sharing your input. Please help us better understand your expectations of the Bennion Center by completing this alumni survey. It only takes a few minutes and your input is critical to helping us meet your expectations and build a better Bennion Center for future students. We're grateful for your participation. The Bennion Center is listening and committed to taking action based on the feedback we receive. Thank you for your assistance. Sincerely, Marshall Welch, PhD Director, Bennion Center University of Utah
