

World AIDS Day/Week 2010 Evaluation

Brief description of program:

World AIDS Day is a chance to take a stand against this epidemic disease and to support those battling it. It is also an opportunity to educate about HIV/AIDS.

Who was asked to complete survey:

Students, faculty, staff, and community members who attended the event.

Respondents: 42 people

Administration Type: Paper & pencil, and entered by office into StudentVoice

Summary of Key Findings:

The overall responses were positive for all of the speakers, events and films for this event.

Actions Taken:

None.

Which department and/or program goals does this survey align with?

- Raise awareness regarding lesbian, gay, bisexual and transgender issues.
- Affirm lesbian, gay, bisexual and transgender identities and lives by fostering a safe, inclusive, multicultural environment for the University's LGBT community.
- Support the academic mission of the University of Utah by promoting the inclusion of LGBT topics in the curriculum and other academic programs.
- Build linkages with other LGBT organizations and allied programs through outreach and community development efforts.

Which Student Affairs goals does this survey align with?

1. Develop students as a whole through the cultivation and enrichment of the body, mind and spirit.
2. Provide education that ensures all staff is properly trained to provide professional and competent service.
3. Promote diversity on campus through effective programming and active recruitment of staff and students.
