

## **Parent & Family Orientation Fall 2013**

### **Brief description of project:**

Assess learning outcome attainment and satisfaction as a result of Parent & Family Orientation.

### **Who was asked to complete the survey:**

Parents and family members (of fall matriculating first-year students) who attended Parent & Family Orientation sessions.

**Response Rate:** 32.83% (174 of 530)

**Administration Type:** Campus Labs email

### **Summary of Key Findings:**

- Respondents found the overall program to be worthwhile and very informative
- Some respondents want more time with their student during the program, especially for the meeting academic advisors

### **Actions Taken:**

- Pass along specific department/office feedback to those presenters
- Make small adjustments to Parent & Family Orientation schedule for 2014

**Which Student Affairs goals does this project align with?** 1, 2, 3, 5, 6, 8
