Summary of Key Findings:
In general, the audience enjoys the seminars and indicated that the information presented will be useful in their work with students. Several good recommendations for future topics were given in each session evaluation.

Actions Taken:
The evaluations were used to send targeted thank-you letters to the presenters. Also, the list of potential topics/speakers for next year will be used in preparing the 2013-2014 slate of speakers for the Diversity Seminar.

Which Student Affairs goals does this program align with?
2. Provide education that ensures all staff is properly trained to provide professional and competent service.
   d. Encourage and support broad professional development (e.g. trainings, events, lectures and classes).

3. Promote diversity on campus through effective programming and active recruitment of staff and students.
   a. Develop programs and services to promote the value that a diverse population has on the overall educational and campus life experience.

   b. Develop programs and services aimed to educate the University community about the experiences and challenges faced by underrepresented populations through greater collaboration with Academic Affairs and other divisions.
